Our Mission

Tomorrow's Child is dedicated to preserving the lives of newborns and healing families, one day at a time. We provide education, outreach, advocacy and research to keep babies healthy and safe their first year of life.

Our Vision

We are the recognized authority on reducing sudden unexpected infant deaths and other infant deaths, and providing grief services through leadership, education, research, advocacy, and public/private collaboration.

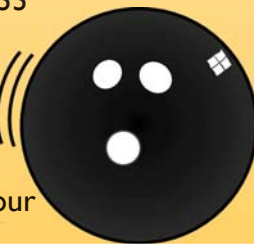

Stewardship

We are careful stewards of donated funds, keeping our administrative costs low so that you can be certain the funds you raise for Tomorrow's Child are spent saving the lives of Michigan babies. Through your support we've been able to annually distribute over 230,000 Safe Sleep brochures, train clinicians, and work in communities throughout Michigan to communicate the safe sleep message. It is through the support of our volunteers and people like you that we can achieve our goals.

If you are unable to attend you can still support the Bowl for Babies fundraiser and Michigan babies by mailing your donation to:
